
INTERNAL CONTROL

The TOA Corporation Group believes that good corporate governance enhances our competitiveness and performance, enabling us to fulfill corporate social responsibilities and increase the corporate value for shareholders. Recognizing that effective internal control plays a key role in achieving that goal, we are striving to improve the quality and effectiveness of our internal controls.

1. Compliance

All members of The TOA Corporation Group are required to be fully aware of the relevant laws, regulations, and social ethics that govern their business activities, and to strictly comply with them in fulfilling their roles and performing their duties.

2. Risk Management

We have developed a framework to appropriately identify, assess, and control risk factors associated with business activities of The TOA Corporation Group. All risk factors, once identified, are to be properly dealt with by a responsible department or a provisional task force designated in accordance with the framework.

In case of a natural disaster on a scale possibly jeopardizing our business continuity, the BCM Committee is promptly convened to take actions to minimize any adverse impact on our business activities and on our valued customers.

3. Information Management and Control

All forms of information regarding business activities and the fulfillment of the duties and responsibilities of the directors are to be categorized by their contents, classified by their security levels, recorded in the proper formats, and preserved in an appropriate manner for a required period of time in accordance with our internal Information Management Regulations and relevant laws and regulations.

4. Independent Auditors and Fair and Reliable Financial Statements

Each and every legal entity within The TOA Corporation Group guarantees that independent professional auditors shall be able to perform a proper and effective audit on the financial statements and internal control performance reports of the entity by holding regular meetings with its representative directors, corporate auditors, and relevant departments to exchange opinions and information, and deepen their mutual understanding. Thus, the fairness and reliability of our financial statements and internal control performance reports can be ensured, and the transparency of our management can be maintained.

5. Effective Audit by Corporate Auditors

The corporate auditors of The TOA Corporation Group are authorized to attend major meetings of each entity, hold regular meetings with the representative directors, regularly review the performance of the directors and respective departments, and access the information necessary to perform their audits. Thus, it can be ensured that the corporate auditors can independently appraise the effectiveness, legal compliancy and soundness of the management, and duly carry out their responsibilities.

6. Proper Management Control of The TOA Corporation Group

TOA Corporation, as the parent company of The TOA Corporation Group, has established the rules and regulations to govern each legal entity within The TOA Corporation Group in order to fulfill corporate social responsibilities and enhance its value as a corporate group. Based on their relevant provisions, important managerial issues of the respective entity are to be reported to the Board of Directors of the parent company for approval, and other less important issues are to be reviewed and approved by its Management Planning Department.

7. Fulfillment of Corporate Social Responsibilities

TOA Corporation has established the CSR Committee, which is chaired by the president, in order to ensure fulfillment of CSR as a corporate citizen. Two subcommittees, the Compliance Subcommittee, which deals with legal issues and internal controls, and the Risk Management Subcommittee, which copes with risk factors related to business activities, such as safety and sanitation, information security, environmental sustainability, and quality control, have been established under the CSR Committee in order to make thorough reviews and enhance the quality and effectiveness of our CSR performance.

TOA Corporation annually edits and opens to the public its Annual CSR Report in order to promote to society, its valued shareholders, and all members of The TOA Corporation Group an awareness and understanding of its engagement in CSR activities.

8. Sound and Sustainable Construction Industry

One of the highest-priority issues for The TOA Corporation Group is contributing to sound and sustainable construction industry. The Group is listening intently to the opinions of its customers and the market, offering high-value-added solutions to its customers through construction and civil engineering markets, and providing high-quality infrastructure related services. Moreover, TOA is taking active initiatives to contribute to society, principally through providing opportunities for technological education.

9. Environmental Approach

The TOA Corporation Group is committed to acting in an environmentally responsible manner and should, therefore, approach environmental issues positively. We created both our Environmental Statement and Environmental Policy and, with the Environmental Activities Working Group as the core, we are proactively working to reduce the environmental impact of our business activities.
